INFORMATION MANAGEMENT

Kuehne + Nagel facilities share common processes and systems, so you receive consistent reporting and billing in addition to consistent customer service. Our information systems are based on a worldwide standard that, together with our Information Broker integration application, facilitate the seamless transfer of information. Our web-based information management system, KN Login, gives you full visibility of your inventory, whether in transit or in storage, enabling you to monitor and control exactly where your goods or orders are.

KUEHNE + NAGEL PRODUCTION SYSTEM (KNPS)

KNPS is based on principles that deliver continuous improvement of processes. Focus is put on waste elimination in all aspects of the service delivery process, worker empowerment, management through visual controls always with a dedication to total quality control. In addition, Kuehne + Nagel follows the principles of consistency in its global operations, uniform measurement across all operations and respect for the environment, to ensure that our customers always receive a high level of service.

INDUSTRY-SPECIFIC SOLUTIONS

Kuehne + Nagel has the resources and expertise to provide a highly competitive edge in automotive, FMCG, retail, industrial goods, pharma & healthcare, high-tech around the world.

YOUR ADVANTAGES

- We reduce supply chain complexity by offering your customers and business partners end-to-end supply chain visibility. This enables the streamlining of processes and coordination of supply chain partners.
- The range of services we offer, allow you to reduce inventories, lower the distribution costs and speed up the introduction of new products.
- We provide both inbound services to the manufacturing site, and a comprehensive range of storage, handling and distribution services for finished goods to get them to the market.
- The well-established security and loss prevention concept minimise the risk for products throughout the supply chain.
- Work with a financially stable and reliable partner who cares about your success.
